Annual subject index of articles

JANUARY THROUGH DECEMBER 1975

Each listing shows the title of a major article or short article, the latter in italics. The first two figures following the title indicate the date of the issue, and the last figure indicates the number of the page upon which the article begins. MEDICAL ECONOMICS will send physicians any three articles listed below without charge. Copies of additional articles are priced from 50 cents to $1.00, and, as long as the supply lasts, whole copies of the magazine (including any of our Special Issues) may be purchased for $3.00 each.

Assistants

Five questions to ask when you hire an assistant. 1-20-139
Pay policies: Which will get the most from your staff? 4-14-174
Does your staff field phone calls the right way? 5-26-117
What do you say when you're not giving her a raise? 6-9-84
The doctor couldn't understand why I was quitting. 7-7-161
Hounded by weekend calls? Here's a way to get relief. 7-21-95
Let your employes set their own hours. 8-4-82
How your staff should field those problem phone calls. 9-1-117
New traps in handling your employes' Keogh accounts. 10-13-88
Can your assistants sock you for overtime? 10-27-105
For a smoother-running office, get back to basics. 11-10-197
Sixteen fresh ideas for Christmas gifts. 11-10-80
How to make office staff meetings more productive. 12-8-135
Why I hate to call your office. 12-8-76
Nice boss or doormat? Where to draw the line. 12-22-92

Billings

If you're thinking about a service-charge policy. 2-17-129
Let patients pay by credit card? The latest word. 3-3-112
How to collect from a patient's estate. 4-28-113
My "soft sell" brings back no-show patients. 5-12-122
How to cure your accounts-receivable headaches. 7-7-92
We charge each other for coverage—not our patients. 10-13-145
Computer billing *without* a computer. 11-24-135

Cars

Stay alive on the highway: pictorial tips from the pros. 1-6-82
Testing the newest American small car. 2-17-76
Is your motor club worth its membership dues? 3-3-126
Your best car buy may not be a new '75. 3-3-89
Auto safety report: It's not what you drive—but how. 3-17-85
Controlling your car expenses. 3-31-44
Testing VW's two newest, the Rabbit and Scirocco. 4-14-71
Checking out the Checker cab as a family car. 5-12-74
How to keep an older car's costs in line. 5-26-91
How to get the best deal when you rent a car. 7-7-58
Testing the small Cadillac: Less costs more. 7-21-58
Testing Chevrolet's little Chevette. 9-15-72
Testing a legend: The Lancia returns. 10-13-74
Testing Plymouth's new compact, the Volare. 10-27-60
The trouble with cars is, they hate us. 11-10-158
I've had my fill of filling station gyps. 11-24-144
Can't fight a big company and win? Wanna bet? 12-8-170

Colleagues

Keeping associates happy: Money isn't everything. 1-20-152
A big-name professor triggered my malpractice ordeal. 2-3-97
Would you be guilty of these consultation goofs? 2-17-88
Face it: Half your colleagues will be female. 3-3-150
Want an expert consultation? You can dial for it. 3-17-147
Want more time off? Cooperate with your competitors. 3-17-104
Hospital peer review faces a $200,000 question. 5-12-71
Giving newcomers a wider choice of doctors. 5-26-112
Sixteen fresh ideas for Christmas gifts. 11-10-80

Collections

"Everything was fine until you came here to practice." 1-20-97
Patient can't pay? Our bank lends him the fee. 2-3-135
Test your billing and collecting savvy. 2-3-76
If you're thinking about a service-charge policy. 2-17-129
Let patients pay by credit card? The latest word. 3-3-112
I sued a lawyer and won. I think. 3-17-91
How to collect from a patient's estate. 4-28-113
My "soft sell" brings back no-show patients. 5-12-122
How to cure your accounts-receivable headaches. 7-7-92

Corporations

Don't get crunched by the new pension law's penalties. 1-6-156
Is incorporation worth it? 19 out of 20 say Yes. 1-6-172
Take your retirement money in a lump sum? 1-6-193
Is it true what they say about young doctors? 2-3-158
What progress toward retirement security? 2-17-82
Five types of primary-care physicians compared. 3-3-82
Does your professional corporation need repairs? 4-28-84
How five surgical specialties compare financially. 4-28-76
How to wring all the benefits out of the new tax law. 5-12-225
Now it may pay to accumulate corporate profits. 5-12-152
Think the new Keogh limit is $7,500? Look again! 5-12-94
Cut corporate costs by renting your office staff? 7-7-133
Investment tips from retirement fund pros: best low-risk ways to outwit inflation, 8-18-68; how to ride tricky market cycles. 9-15-65
New corporate retirement limits: Turn them to your advantage. 10-27-86
Doctors' earnings: winning the battle, losing the war. 11-10-176
Your money: Rainy-day planning pays off. 12-22-56

Drugs

Nobody speaks generic—so let's stick to English! 3-17-102
A new law allowing patients to pick Rx products. 5-26-80
First step to a Federal formulary. 6-9-78
Why not train your patients to treat themselves? 8-4-85
Rx for illegible prescriptions. 8-18-113
Government controls: Which drugs you prescribe. 9-29-69
Would a national formulary cut prescription costs? 12-8-80

Office (cont.)

For a smoother-running office, get back to basics. 11-10-197

Organized medicine

A do-it-your-way P.S.R.O.? These doctors did it. 1-6-163
How the nation's first P.S.R.O. is doing. 1-20-94
What makes a peer review computer tick? 1-20-189
Going, going ... A.M.A.'s grip on state societies. 2-3-33
"The time has come to bargain for higher incomes." 3-17-204
Is the A.M.A.'s Washington lobby worth the money? 5-12-31
How close are they to evaluating your office care? 6-23-132
New utilization rules for you. New botch by H.E.W. 6-23-31
What's more important—the patient or his chart? 7-7-55
First impressions: the day doctors walked out. 7-21-21
The A.M.A.'s daring dues gamble: Will it pay off? 8-4-23
What it's like to be zapped by Ted Kennedy. 8-18-25
Why not a *nationwide* doctor strike? 9-1-82
Government controls: Monitoring your patient care. 9-29-19
Can a doctor-owned malpractice carrier survive? 10-13-79
What happens when doctors say "No!" to P.S.R.O. 10-27-19
"I've seen the enemy—and it's not the Government." 11-24-174
Will Uncle Sam grab a big share of your A.M.A. dues? 11-24-31
Cooperate *with consumerists on a doctor directory?* 12-8-83

Partnership, group, and solo practice

H.M.O. vs. fee-for-service: an insider's story. 1-20-71
Keeping associates happy: Money isn't everything. 1-20-152
What's the best way for soloists to get plenty of time off? 1-20-198
Side effects can make Federal money bitter medicine. 4-14-107
Those hospital primary-care groups: new competition? 5-12-217
Should a group doctor keep his side earnings? 6-23-81
Doctors *can* work for a consumer-run H.M.O. 12-22-79

Patients

Best way to keep up: Teach young doctors for a while. 1-6-109
Dismiss troublemaking patients and make 'em like it! 1-6-149
How to thwart those borderline malpractice claims. 1-6-204
The problem-oriented record, 1-6-69; It's not for me, 1-6-70; Try it and you'll like it, 1-6-74; The word from Dr. Weed. 1-6-78
Death in the doctor's office: 5 steps to take. 1-20-193
So I asked the patient what he *thought was wrong.* 1-20-179
Do you put yourself in the patient's shoes? 2-17-217
Move over, Ralph Nader! We need a directory of patients. 2-17-73
Three "extras" to please first-visit patients. 2-17-132
"You sure are lucky with your kids." 2-17-195
A medical problem that's becoming a legal headache. 3-3-186
Here's consultation help you may overlook. 3-17-170
Overworking? You may be on an ego trip. 3-17-86
Recycling: good for cans, bad for patients. 3-17-188
This state has its own national health insurance. 4-14-147
I put in print what patients can expect from me. 4-28-71
My "soft sell" brings back no-show patients. 5-12-122
Smokers shouldn't be admitted to med school ... 5-12-80
Giving newcomers a wider choice of doctors. 5-26-112
"Stop poking around in your patients' lives!" 6-9-105
Hounded by weekend calls? Here's a way to get relief. 7-21-95
So I appall the academicians. I provide *necessary* medicine. 7-21-53
I took my ghetto practice to Park Avenue. 8-4-120
Whatever happened to the patient's bill of rights? 8-4-109
Why not train your patients to treat themselves? 8-4-85
How smart does a doctor have to be? 8-18-63
Who needs you most—your family or patients? 8-18-122
In defense of defensive medicine: Putting the patient firmly on your side. 9-1-64
Are you panicking patients with careless language? 9-15-105
So what's wrong with assembly-line medicine? 10-13-157
Who's guilty of overhospitalization? Me—and probably you. 10-13-80
The fine art of withholding information about your patients. 11-10-126
The way we hurt patients and never know it. 11-10-245
A "hot line" to keep your hospital patients happy? 11-24-85
Invite patients to criticize your practice? 11-24-113
We simply can't test everybody for everything! 11-24-188
The murderers still sit in waiting rooms. 12-8-106
Has my patient ripped you off lately? 12-22-51

Personal finances

How you can pay for your kids' college costs. 1-6-88

Records

The problem-oriented record. 1-6-69; It's not for me, 1-6-70; Try it and you'll like it, 1-6-74; The word from Dr. Weed. 1-6-78
H.M.O. vs. fee-for-service: an insider's story. 1-20-71
Three "extras" to please first-visit patients. 2-17-132

Retirement

Don't get crunched by the new pension law's penalties. 1-6-156
Is incorporation worth it? 19 out of 20 say Yes. 1-6-172
Take your retirement money in a lump sum? 1-6-193
Buying into a vacation community? Look out! 1-20-120
Doctor funds: Can they put your nest egg together again? 1-20-82
Retirement living: Will you be forced to settle for less? 1-20-156; Living with shrinking capital on a Florida island, 1-20-158; A faint shadow over a sunny Arizona life, 1-20-161; Forced retirement to a new kind of life. 1-20-166
Surgeons operating past their prime? Not here! 2-17-134
What progress toward retirement security? 2-17-82
Can't keep up? Getting out is not the answer. 3-3-110
A new way to plant your pension funds in solid ground. 4-14-143
Think the new Keogh limit is $7,500? Look again! 5-12-94
Winning investment strategy under the new Keogh rules. 7-21-108
Investment tips from retirement fund pros: best low-risk ways to outwit inflation, 8-18-68; how to ride tricky market cycles, 9-15-65; playing it safe without being stodgy, 11-10-86; your toughest job: quality control. 12-8-84
Go for growth without going for broke. 9-1-94
New traps in handling your employes' Keogh accounts. 10-13-88
Even the best-laid plans need updating. 10-20-214
New corporate retirement limits: Turn them to your advantage. 10-27-86
Doctors' earnings: winning the battle, losing the war. 11-10-176
I'll never retire. 12-8-122

Specialty and general practice

At last I feel like a real doctor! 1-20-122
Put the lid on the glamour specialties! 2-3-166
Surgeons operating past their prime? Not here! 2-17-134
Can't keep up? Getting out is not the answer. 3-3-110
Five types of primary-care physicians compared. 3-3-82
Want an expert consultation? You can dial for it. 3-17-147
Would you pick the same specialty again? 3-17-168
Do less as you get older—but do it better! 4-14-102
How four medical specialties compare financially. 4-14-76
How five surgical specialties compare financially. 4-28-76
Making it in a doctor-surplus town. 5-26-155
A comeback for primary care? Let's not kid ourselves. 6-9-91
"Stop poking around in your patients' lives!" 6-9-105
Today's most "in" specialty. 6-9-153
How close are they to evaluating your office care? 6-23-132
Self-policing: the key man everybody overlooks. 7-7-137
How much general practice by specialists? 9-15-130

Amusing, amazing, enlightening, enriching

We're talking about the anecdotes sprinkled through the pages of MEDICAL ECONOMICS—true stories from practicing physicians and others revealing the light side of medical life. We want more such stories now. If they come up to the level of our best, we'll pay $75 apiece. For other acceptable ones, we'll pay $25 to $50. Address: Anecdote Editor, **Medical Economics**, Oradell, N.J. 07649

At last: hard figures on how fast fees have been climbing. 10-13-98
How to check out an emergency department job offer. 11-10-117
We simply can't test everybody for everything! 11-24-188
Holding down professional costs: latest figures on nine specialties. 12-8-144
Your recertification test: cramming without cracking up. 12-8-96

Taxes

Are you missing out on extra tax exemptions? 1-6-147
Your 1975 tax calendar: 14 deadlines to meet. 1-6-98
Answers to your tax questions. 1-20-183; 2-3-182; 2-17-238; 3-3-169; 3-17-115
The hidden tax that may punish your heirs. 1-20-171
Is that overseas trip tax-deductible? 1-20-114
Is your tax adviser really earning his fee? 2-3-70
Try for this tax break when you sell real estate. 2-3-94
Beware of income-reporting traps on your tax return. 2-17-182
Three ways to make your kids' college funds soar. 2-17-174
How to keep your shirt despite a super tax audit. 3-17-161
New breakthrough in tax-sheltering college funds? 3-17-127
Avoiding the traps in tax-saving gifts for your kids. 4-14-90
Is it worth wrestling the I.R.S. to a decision? 4-14-83
Extra tax breaks when you make a big donation. 5-12-126
How to wring all the benefits out of the new tax law. 5-12-225
Now it may pay to accumulate corporate profits. 5-12-152
The $1,000 tax mistake that put a doctor behind bars. 6-9-146
Doubling the payoff on short-term gains. 8-4-57
Year-end moves to slash your 1975 tax bill, 10-20-18; Is your tax adviser good enough? 10-20-31
The I.R.S.'s ultimate weapon. 11-24-148
Who's holding back the boom—and other investment insights. 12-8-27

Travel

Is that overseas trip tax-deductible? 1-20-114
Want to win in Vegas? Take a tip from "Big Julie." 3-17-78
Postponing your vacation trip isn't the answer. 3-31-74
How I drove my way into a Mexican jail. 5-12-134
The incredible lift of a working vacation abroad. 5-26-70
How to get the best deal when you rent a car. 7-7-58
Tired? Unhappy? Have you considered gluttony? 7-21-130
I finally found the perfect vacation to avoid. 8-18-94
My nostalgia flight was like a combat mission. 10-13-129
Would you believe a 130-pounder caught on a fly rod? 10-27-76
Whom to tip and how much. 11-10-111
A cruise that's different, deluxe, and a bargain. 12-8-124
I'm Allyn Z. Baum—fly me. 12-22-70 ■
